Report cards help parents/guardians and the general public see where schools and districts are succeeding and where there is still work to do. This report card overview answers important questions about our school's performance. For the complete report card containing additional data contact the school's principal or visit the Massachusetts Department of Elementary and Secondary Education's website at <http://profiles.doe.mass.edu>.

How is our school doing overall?

How does our school's achievement over time compare to the district and the state?

Percentage of students scoring proficient or above on Massachusetts Comprehensive Assessment System (MCAS), 2010-2013.

How does our school's growth compare to the district and the state?

Student Growth Percentiles (SGPs) measure gains in student achievement from year to year. Growth between 40 and 60 is considered typical. SGPs above 60 represent better than typical gains, while SGPs below 40 indicate lower than typical gains. Our school's median SGPs for 2013 are below. (Note: Growth values are truncated.)
